*London only or where we have a facilitator within 45 minutes of your school

- If choosing Option A, we can deliver 4 workshops covering one or two topics of your choice for the same or different year group. Please note *MAXIMUM OF TWO TOPICS IN A SINGLE DAY. (£3.50 per child based on 120 children – up to 30 per class)*
- For **one** form entry schools, we recommend sharing our visit with another year group.
- Our workshops typically run for 60-75 minutes but can be extended to fill a whole morning or afternoon, allowing for a more in depth development of the material being used.
- Timetables are set by the teacher to suit your school day.
- To support schools needing **5+ workshops**, we are able to run shorter sessions or offer additional workshops / actors. Please email us or call directly to discuss your requirements and receive a quote.

Please note that we require a school hall or similar for workshops. Classrooms are generally not fit for purpose as the sessions are physical and require plenty of space for the children to work in.

Travel

There are no travel charges for schools located within Greater London, or where we have facilitators based regionally, within 20 miles of your location. Schools falling outside of this remit will incur a small fee to cover the additional distance and time needed for our visit. This cost will be capped at **£50** unless there are exceptional circumstances which will be discussed prior to any booking.

Cancellation Policy

If more than four weeks notice is given and no advance travel costs incurred, no fees will be charged. If advance travel has been booked prior to the cancellation, cost will be liable in full. Thereafter 50% of the fee may be payable at The Drama Hut's discretion. If The Drama Hut has to cancel due to unforeseen circumstances such as illness or public transport issues, we will offer either, an alternative date for our visit or a full refund.
